

CAT TALES IS HERE!

In stores now: \$34.95

CAT TALES is a fun-filled collection of true stories about Bermuda cats and the volunteers who work hard to help them.

It's the first book by singer-songwriter Val Sherwood (*Never Tell Them Why, Be Fabulous*), a longtime supporter and activist for homeless cats in Bermuda.

Copies are available online at www.val.bm, and at most good bookstores and selected vets and pet supply stores around the island. ***A perfect gift for all animal lovers!***
